PRO SERIES

4-pin Female to 4-pin Female Adaptor Cable - 20cm

for use with X1 and M1 Pro Series DVR's

Part number: AEX-ST-ACC-GMA

KEY FEATURES

- Changes the gender of the 4-pin video output on M1 and X1 Pro Series DVR's
- Allows use of standard monitor extension cables with M1 and X1 Pro Series DVR's
- 20cm in length

DESCRIPTION

The Standby RSG AEX-ST-ACC-GMA is a cable measuring 20cm in length and is used with the X1 and M1 Pro Series of DVR's. It changes the gender of the standard 4-pin DVR video output and can be extended further by using any of our 4-pin extender cables. This allows compatibility with a range of external 'dumb' monitors such as our AEX-ST-TSD-7IN.
