

## Vega Lightbar Amber - Quick Guide

**EN** The complete user manual can be found at: **SE** Den kompletta bruksanvisningen i original finns på: **DE** Die komplette Originalbetriebsanleitung finden Sie unter: **FR** La notice originale intégrale est disponible sur: [www.standby.eu/support/manuals](http://www.standby.eu/support/manuals)

### Technical Data

|                             |                           |
|-----------------------------|---------------------------|
| Lens                        | Polycarbonate             |
| Color, lens                 | Amber lenses with coating |
| Color, LED, End modules     | Amber                     |
| Color, LED, Inboard modules | Amber                     |
| Cable                       | 5 m                       |
| Voltage                     | 10 - 24 VDC               |
| Power consumption           | 5 A @ 13.5 V              |
|                             | Max 4.3 @ 13.5 V          |
| Length                      | 835, 1280 or 1590 mm      |
| Height                      | 67 mm                     |
| Width                       | 267 mm                    |
| Interface                   | Hardwired                 |
| Operating temperature       | -40°C - +85°C             |
| Approvals                   | ECE R65 I, ECE R10, EMC   |
