Alarm & Serial Box

auto eye**Xpert**

PRO SERIES
Alarm and Sensor IO Termination Boxes
for use with X5 Pro Series DVR's

Part number: AEX-ST-ACC-X5AB

KEY FEATURES

• Alarm and sensor IO termination boxes for X5 Pro Series DVR's
• Ptovides screw terminations for easy installation and maintenance
• Supports 8 sensor inputs, 2 sensor outputs, 12 volt, 5 volt and ground points
• Supports 4 x serial data connections (RS232 and RS485)

DESCRIPTION

The Standby RSG AEX-ST-ACC-X5AB is designed for the X5 Pro Series of digital video recorders. It features two signal termination boxes connected to a single D-type connector which plugs to the rear panel for the DVR. One box supports sensor IO and the other supports serial data connections. The terminations are screw connectors with clear printed labels which facilitate an easy way to install and maintain the wiring for a fully equipped AutoEye Xpert Pro Series installation.
