

12~24VDC

SL157 series

7 Inch Exterior Scene Light

FEATURES

- Compact and simple design wherever you need illumination.
- Over 1400 Lumen output; Luminous intensity \geq 660 Lux at 1 meter.
- Certified ECE R10 and CISPR 25.
- 12~24V wide range input.
- Reverse polarity protection.
- Available in black, white or chrome bezel.
- Die-cast aluminium base for efficient heat dissipation and high LED durability.
- Weatherproof and vibration resistant design for internal or external use.

SPECIFICATIONS

Compliance: ECE R10,
CISPR 25 Class 3 for 12V
CISPR 25 Class 2 for 24V
IPX7

Operating Voltage: 12~24VDC

Beam Type: Flood

LED Element: High Power LED x 4 pcs

Raw Lumen: 1400 lm

Effective Lumen: 890 lm

Max. Current: 1.2A @12VDC / 0.6A @24VDC

Max. Power: 14.4 Watt

Wires: Red-VDC: 21cm (20AWG)
Black-GND : 21cm (20AWG)

Fuse Rating: 2A

LED Colour: White

Lens Colour: Clear

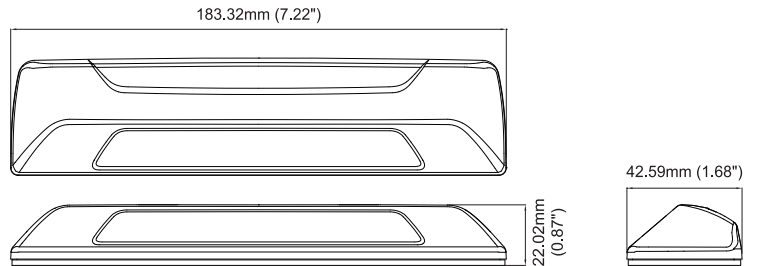

Storage Temp. (°C): -40° ~ +75°

Working Temp. (°C): -30° ~ +65°

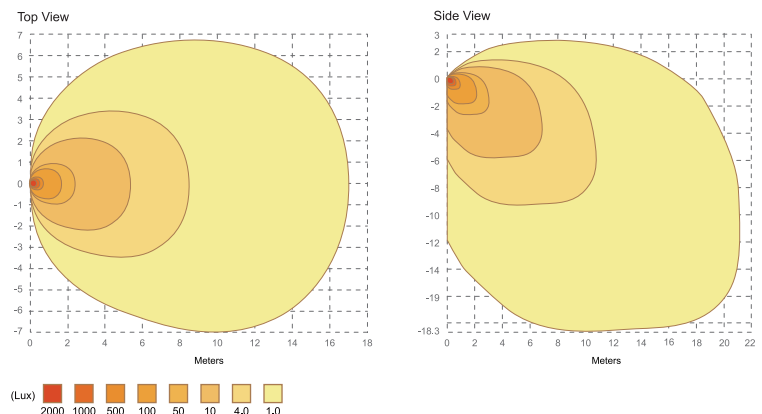

Warranty: 5 years

Weight : 108g
